

REMARKS

Claims 1-52 are now in the case.

**Double Patenting**

Claims 1-52 have been provisionally rejected under the judicially created doctrine of obviousness-type double patenting for reasons of record at paragraphs 1-3 of the Office Action dated November 2, 2005.

Applicants are submitting a Terminal Disclaimer (attached herewith), which Applicants believe overcomes the obviousness-type double patenting rejection.

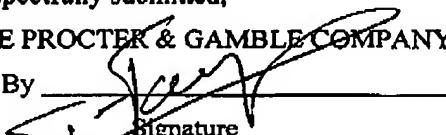

In view of the previous remarks, it is submitted that all the pending claims are in condition for allowance. Early and favorable action on all claims is therefore requested.

If the next action is other than to allow the claims, the favor of a telephonic interview is requested with the undersigned representative.

Respectfully submitted,

THE PROCTER & GAMBLE COMPANY
